Bath in Bloom comes to St Stephen's

Everything in the garden could be fine with a bit of effort and support! St. Stephen's Church would like to enter "Bath in Bloom" this year so is looking for plant donations, cash donations and gardening expertise to put us in good order.

Over the past years we have restored the woodlands, repaired the Lansdown Road wall (with a donation of £1000 helping that along) and another generous donation will enable us to repair the Richmond Road walling. We have sold the security fencing left over from the Tower Appeal to fund a gate on the Lansdown Road to enhance safety for everyone.

A small band of volunteers have already started the planting around the new disabled access path but we need to do more to make this a real community garden. So can you:

1. Give a cash donation for new planting and lawns?
2. Or give up time for labour on planting or painting up the gates (we already have a volunteer for the West Gate).

It would be a real joy to see these grounds blossom from Spring to Winter with a mixture of plants – from bluebells and daffodils through to holly and winter colour. We shall start as soon as the weather warms up. Your assistance with this project would be much appreciated.

If you have any questions or suggestions about this community project please contact Bob Carlton-Porter on 01225 484220.
